Dear Sir or Madam

**Tarset and Greystead Neighbourhood Plan
Notification of determination under Regulation 9(1) of the Environmental Assessment
of Plans and Programmes Regulations 2004**

In May 2015, Northumberland County Council consulted the consultation bodies, identified in Regulation 4 of The Environmental Assessment of Plans and Programmes Regulations 2004 (The SEA Regulations) on an SEA Screening Opinion for the Tarset and Greystead Neighbourhood Plan.

Following this consultation, the consultation responses were considered and a final determination, in the form of an SEA Screening Report, was produced and issued on 4 June 2015.

The purpose of this letter is to notify the consultation bodies of the determination of Northumberland County Council that the Tarset and Greystead Neighbourhood Plan does not require an environmental assessment under Regulation 11 of The SEA Regulations 2004.

A copy of the Council's determination (made under SEA Regulation 9(1)) in the form of an SEA Screening Report is enclosed. This includes the statement of reasons for the determination.

If you have any queries regarding the above comments, please do not hesitate to contact my colleague Rob Naples, Planning Officer, via the contact details given above.

Yours sincerely,

Jo-Anne Garrick
