DESCRIPTION

<p>Originally a farm house with adjoining buildings, byre, stable and barn. Converted into two houses and more recently made into a single house.</p> <p>The photograph in the Millennium book shows a 5-6 bay 2-story building with a single storey extension to the left front. The left ground floor front window is arched, possibly originally a barn or cart shed entrance. Two chimney stacks in the centre of the building may indicate the original house. One small bay window.</p>
