EVIDENCE

Identified by Air Photograph Interpretation, but also shown on 1st Edition of OS ' 6 inch' Map Northumberland Old Series Sheet 68 Surveyed 1862 as the boundary between the Bellingham Townships of Charlton East and Charlton West.

DESCRIPTION

Described in earlier versions of the Gazetteer as a bank with a ditch on the east side, however this needs to be checked in the field. It has also been suggested that this earthwork formed part of the boundary to the Tarset Castle Deer Park, although in this case the ditch would be more likely to be on the west side to keep the deer in.

None.
